

VELCROWRAP ANTI-ABRASION HOSE SLEEVE

adelaide
belt & hose

Now you can easily bundle your hoses and cables in an anti-abrasion sleeve which simply wraps and locks together with a Velcro strip. Simple to attach and easy to adjust or remove for servicing or cleaning

MSHA- Certified

Constructed from rugged black UV stabilized (to EN13758-1) Polypropylene Yarn with an operating temperature range of - 20c to 100c. Resists abrasion & most oils and chemicals. Protects and controls wayward hoses cables etc from external wear. Protects people from a nearby hose burst.

Pin Hole Leakages -
Pressure tests
conducted up to 550 bar
